

## Celebrating 50 Years Of Conservation

City of Muscatine  
Muscatine Power and Water  
Muscatine County  
Conservation Board

### Featuring: Stan Slaughter - Eco Troubadour

Stan is a retired science teacher with a love of music! Stan shares his passion about the environment.

**Performances: 5:15 P.M. and 6:15 P.M.**

**Sponsored by:**

Make sure to attend this celebration with your family! We will have Guy and Grill cooking for us, sponsored by MPW. No cost to attend any of the events planned for the Living Green in Muscatine Celebration - Celebrating 50 years of conservation in Muscatine County!

### Re - Creation Station:

Stop by and recreate a new item out of something old. This is a hands on station that allows for everyone to have fun when making something new out of something old.

### Outdoor

**Activities:** Plenty of outdoor activities, including archery, canoeing, and live animals.

**Kids Activities:** Numerous activities for kids to do and make about our environment.

**Participants:** Spend time discovering what our neighbors in businesses and environmental groups in our community do everyday for our environment.

**Celebrate:** Celebrate with the Muscatine County Conservation Board for 50 years of providing service.

**Friday, May 15, 2015**

**4:00 - 7:00 P.M.**

**Discovery Park**

**3300 Cedar Street Muscatine, Iowa**

*The Environmental Learning Center will be open until 7:00 pm on May 15<sup>th</sup> in honor of Living Green in Muscatine Celebration*
